JANENO ELECTRICAL APPLIANCE FACTORY

Enterprise Introduction

JANENO lighting conveniently located in the east part of China, next to the port of Ningbo and just 3 hours from Shanghai and 1.5 h from Hangzhou. JANENO lighting is one of China's leading horizontal integrated manufacturer of premium outdoor lighting. Our production includes: House tooling, Mould sub-factory, Die-cast sub-factory, Power-coating workshop, Assembly workshop, LED workshop. We pay attention to details and to high quality standards of excellence, such as: UL and Energy Star, CE, ISO 9001, ISO14001, UL, ETL, BSCI, ERP and so on. Under the principle of "Being innovative, Being excellent", our company dour professional and international team of designers and engineers. We try our best to provide good quality, competitive prices and excellent services for customers from all over the world. Welcome to JANENO lighting to get best service, support and professional advice from us.

Icream

Install Place: Wall

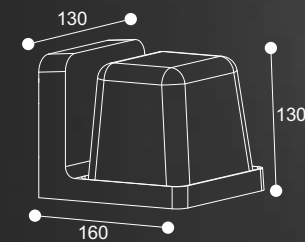

1. Patent and Simple Special design for LED lighting, with durable die-casting aluminum housing.
2. High quality SMD Chips, CRI is much greater than 80, generate soft and warm brightness.
3. High-quality PC shade, resistance to UV.
4. Isolated constant current driver, PF>0.9, IP54.
5. Standard or high efficiency output lumen for option, CCT 3000K, 4000K, 6000K.
6. Energy saving, environmental friendly is our pursue and we devote our mind to the globe customers.

JANENO

JANENO ELECTRICAL APPLIANCE FACTORY

JW1902

Product Description

MATERIALS

Aluminum housing with PC Diffuser

LIGHT DATA

LED with High quality power supply unit
for outdoor

IP54

CCT: 3000K, 4000K, 6000K

COLOUR

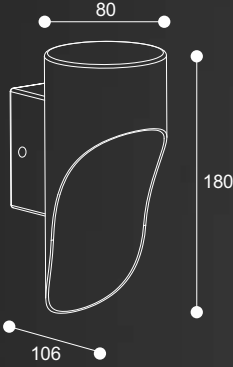

Dark Grey, Grey, Black, White

Model	JW1902
Wattage	12W
Lumen	1000
IP	54
Dimensions(mm) L×W×H	160×130×130

Install Place: Wall

- 1. Patent and Simple Special design for LED lighting, with durable die-casting aluminum housing.
- 2. High quality SMD Chips, CRI is much greater than 80, generate soft and warm brightness.
- 3. High-quality Tempered glass for weatherproof.
- 4. Isolated constant current driver, PF>0.9, IP65.
- 5. Standard or high efficiency output lumen for option, CCT 3000K, 4000K, 6000K.
- 6. Energy saving, environmental friendly is our pursue and we devote our mind to the globe customers.

Product Description

MATERIALS
Aluminum housing with tempered glass

LIGHT DATA
LED with High quality power supply unit
for outdoor
IP65
CCT: 3000K, 4000K, 6000K

COLOUR
